by donations to Valley Zoo Development Society

Be safe and have fun!

With many natural playgrounds, we encourage everyone to explore but supervise children closely as they run, climb, splash and play.

Pets are not allowed in the zoo beyond the Entry Plaza. We do not allow confetti, bubbles, balloons, bikes, scooters or rollerblades. This is a non-smoking facility.

Many of our resident animals enjoy going for daily walks; always keep a safe distance from the animals.

Animal locations are subject to change.
